FORMATIVE ASSESMENT:

this is a daily assessment in class whereby teachers ask questions during the lessons and observe pupil to ensure that they are meeting expected targets and give ongoing feedback to student's and other relevant staff

SUMMATIVE ASSESMENT:

This is a more formal form of assessment at the end of every work unit, where pupils are measured against expected targets, such as you would find in CAT's or Examinations.

CALENDAR 2020/21 SESSION

Thanks to all staff for a successful opening despite all the challenges we have pulled it off. Well done to all staff. The above calendar represents the school time table with dates and activities till the end of the session and into the first day of the next term. All staff remain **on duty as published** Strauss Prep teachers continue on duty till the 7th of March, this is subject to submission of a well-articulated and detailed medium-term plan. Holiday opening times are 8:30 -5:00pm, Monday to Friday. TISCA will run from the 3rd of 21st of April. Students will arrive at 9:00 am, all customer service staff must be at their duty post.

The Medium term development conference will take place in Year 2 class, all teachers should report there at 3:pm on Friday 18th . Presentation of schemes and plans will be presented by power point on at the meeting. All staff should ensure that their plans are up to date failure to do so will attract stiff penalties.

ASSESSMENT

Starting from the 2020/21 Session Strauss school will apply several methods of Assessment to ensure that the teaching methods are appropriate for the learners and that learning is taking place. The various forms of assessment include:
